### **Edith Rogers Band Program**

As one of the largest Band Programs in Alberta, the 225 members of the Edith Rogers music program were very busy in the 1998/99 season. They performed in over 50 concerts and festivals throughout the year. One of the highlights was the Grade 8 and 9 Concert Band's tour to the Abbotsford International Music Festival from April 14-18. They spent time in music workshops and performed throughout the area plus enjoyed getting to know one of Canada's loveliest settings. The group was also awarded a second place rating of Excellence at the festival. The year was finished off with performances by both the Junior and Concert Bands at the Alberta Band Association's Festival of Bands in Red Deer where both bands took home a Silver award.

## News and Reviews for 1999

The school year at Edith Rogers moved along very rapidly. It started with a welcoming of the grade sevens by the other students and some welcome week activities were planned such as a Scavenger Hunt, Beach Day events, Club sign up and a Dance. The Grade Seven students quickly learned how to open and close their locks, and met new acquaintances.

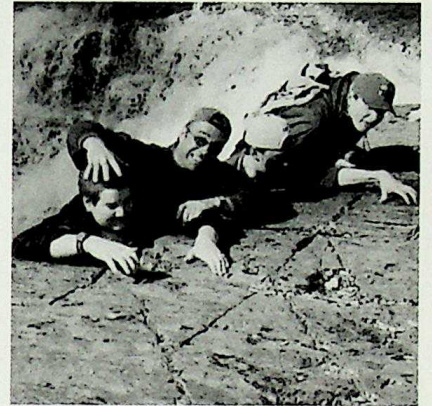

As the year progressed, there were many assemblies, band concerts and school wide student council activities. The Drama students produced plays, the Sports Teams won their games, the Art students produced more murals for the walls and the Home Ec. Students cooked up a storm. The computer labs were busy places with TLE, CTS and students catching up or just enjoying technology. There were trips to Greece, and Ski, Band, Outdoor Ed, Science, and Honors trips. Many Student recognition ceremonies were held.

Then came High School Registration. It was a sign that the year was quickly coming to a close. The Grade Nine Farewell ceremonies came in June and then it was time for final exams. We had a recognition ceremony for a few minor awards on June 25<sup>th</sup> and a ceremony for major awards on June 28<sup>th</sup>.

As for the staff, it was a busy year, with lots of people changing positions. One of the secretaries, Mrs. Schaefer retired in early October and Mrs. Mulder replaced her. Mrs. Webber then let everyone know that she was retiring at the end of the year. Mrs. Probert, our Handicap Assistant, chose to work part-time and Mrs. Przybylo was hired as a part-time Handicap Assistant. Then came the Staff Bulletins and shortly thereafter the news that Mr. Buchanan had applied and had been offered a position at Argyle School. We got more exciting news: Mr. Jonkman had been offered his first principalship at Britannia Junior High School, and Mr. Delainey was retiring. Soon after, Mr. Palylyk was offered a position at Argyle School, Mr. Mah a position as assistant principal at Britannia, and Mrs. Biggs and Mr. Magnus were also off to greener pastures.

## Halloween Costumes

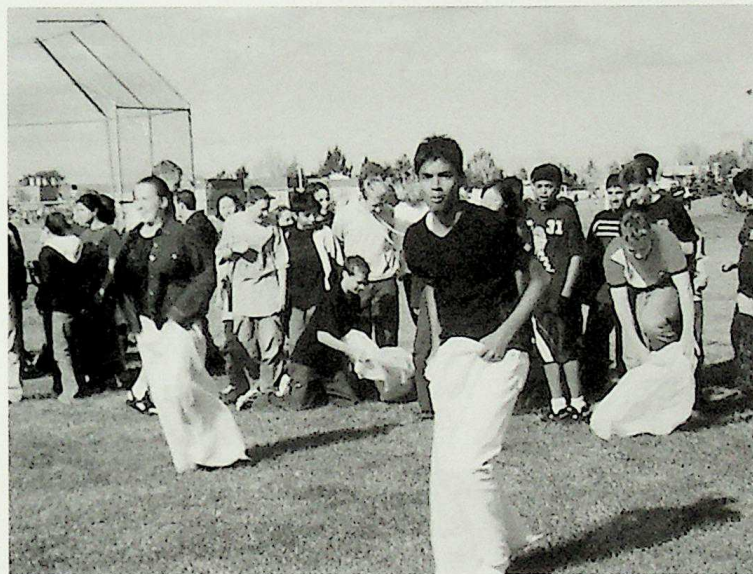

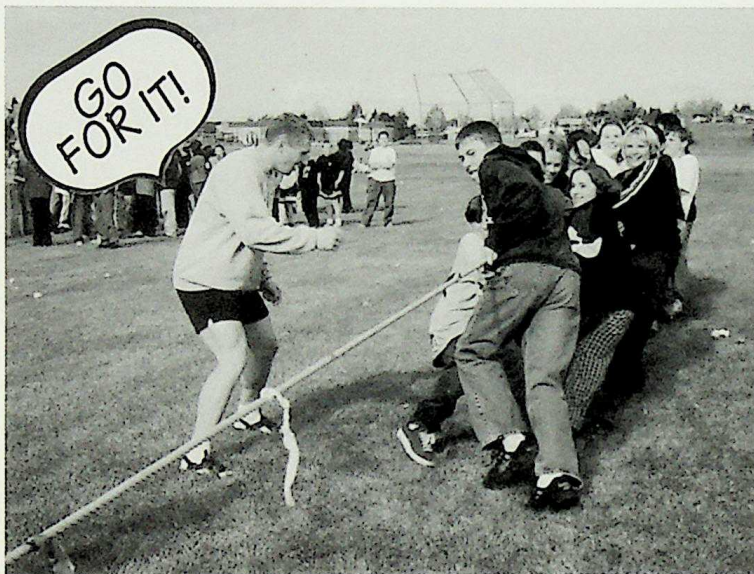

On Halloween week everyone looks forward to dressing up. The best costume in each class is chosen and prizes are awarded. It is a fun day for the students, starting with pumpkin carving at noon and finally dance sponsored by our Student Council in the afternoon. All the pumpkins are displayed at the dance and later donated to a group of seniors.

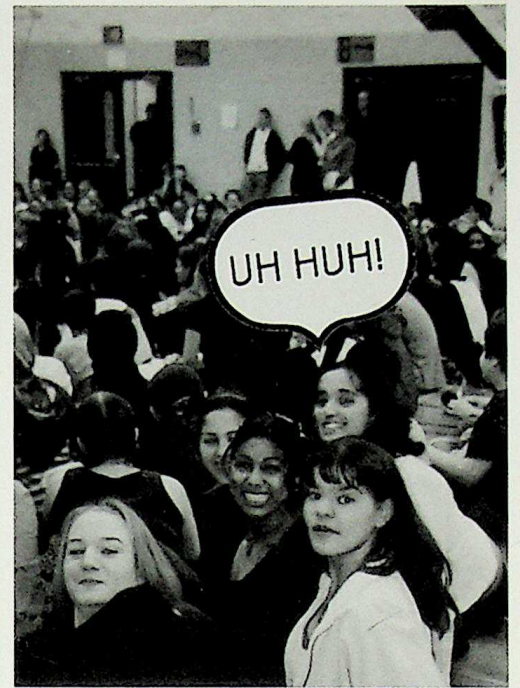

## Beach Days

Beach Days are held in early September. The idea is to welcome the new Grade Seven students to the school. There is a week of fun filled activities culminating in an old fashioned Field Day in the morning and a dance in the afternoon. Everyone enjoys the week.

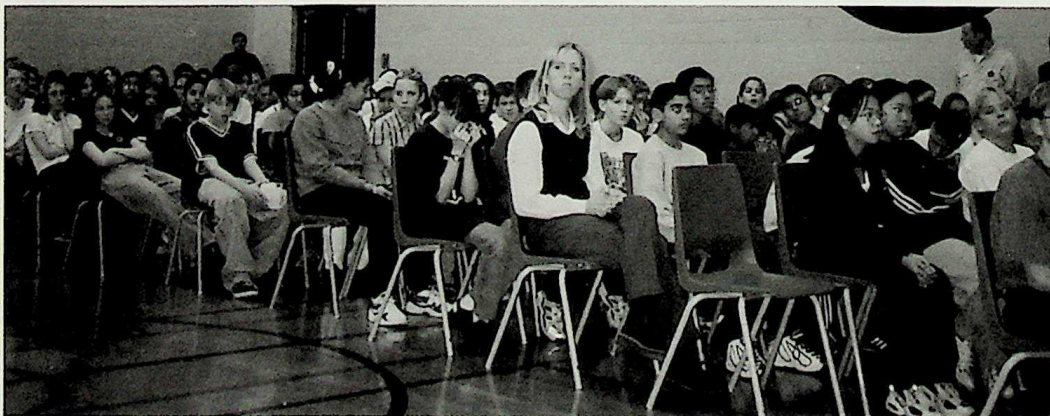

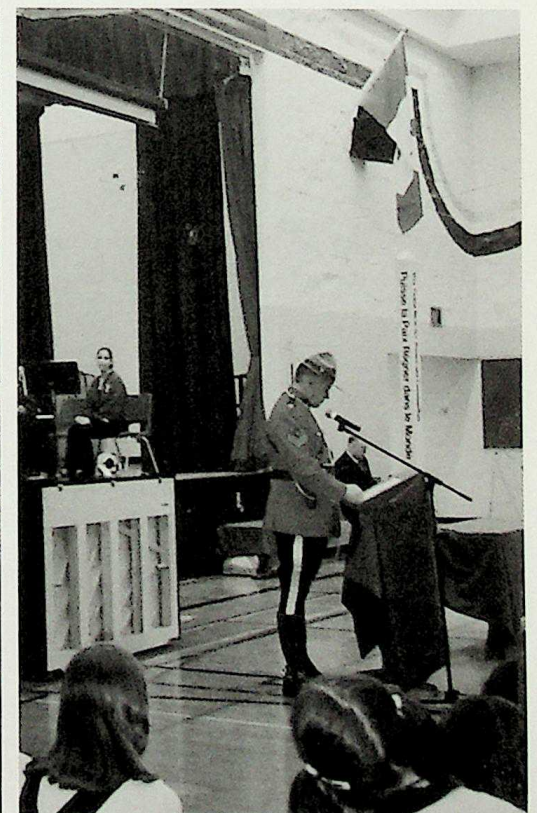

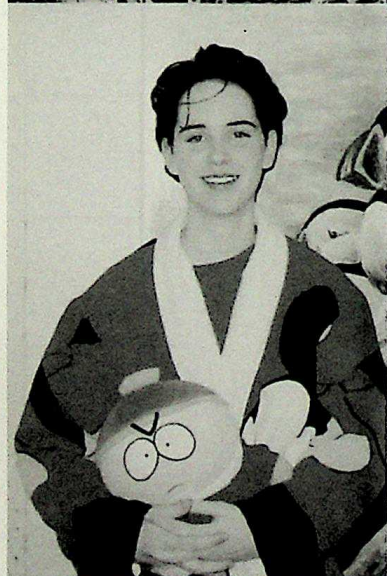

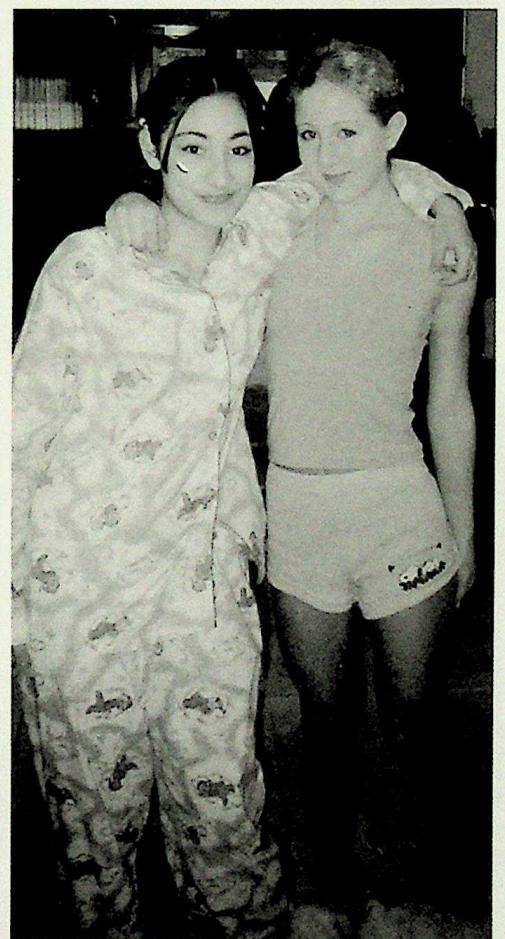

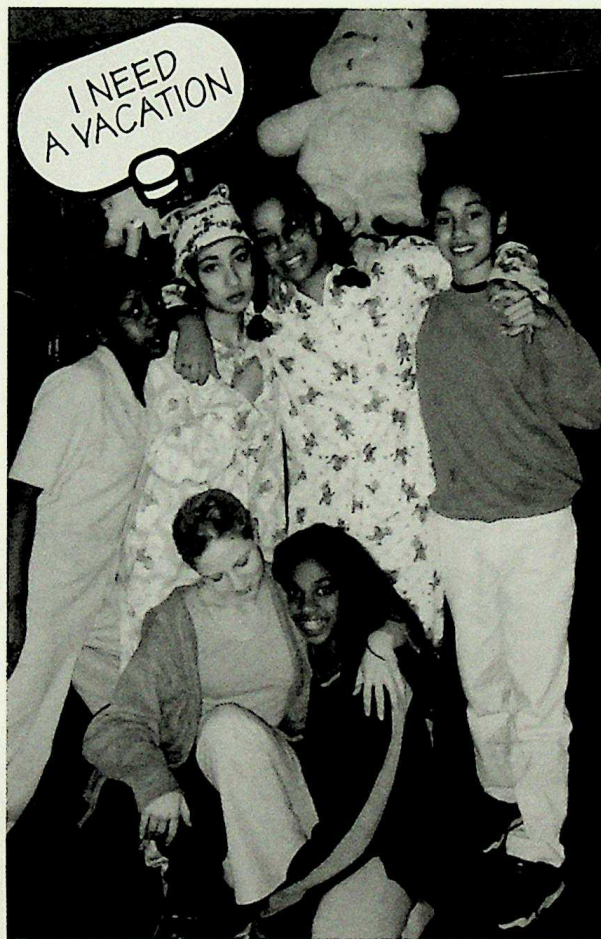

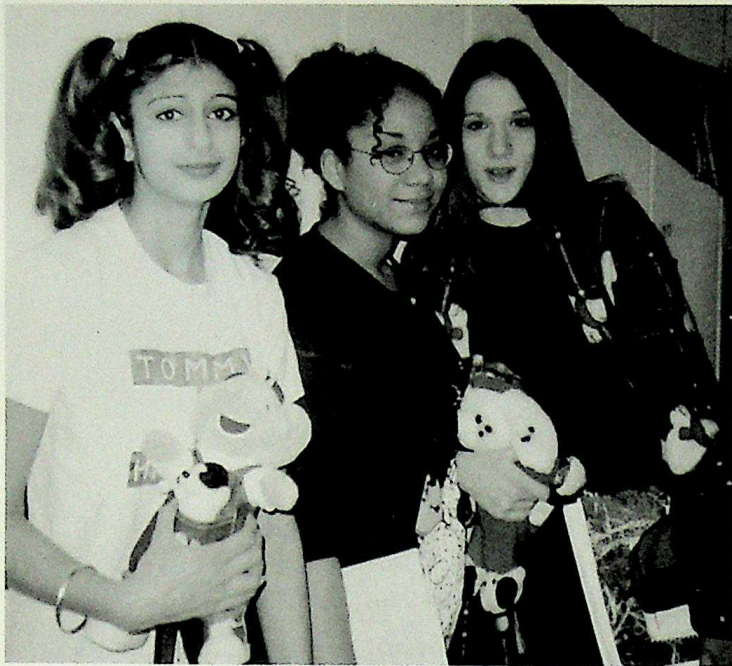

# Assemblies

Throughout the year Edith Rogers School had many assemblies. Some were motivational while others were instructional. We had Guest speakers, Drama performers and Band concerts. The students always showed great listening skills and super behavior.

### Study Travel

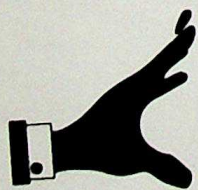

The Study Travel Club enjoyed their trip to Greece and Turkey during Spring Break. Mrs. Webber was the teacher in charge. Chaperones included Mrs. J. Koutzum and Mrs. E. Skinner. Students were complemented for their great behavior and for being such exemplary ambassadors.

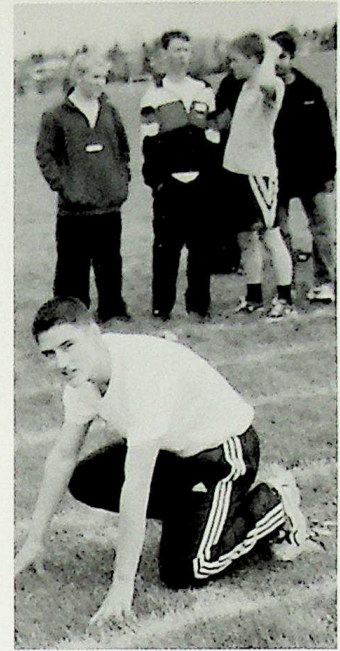

## Fine Arts Night

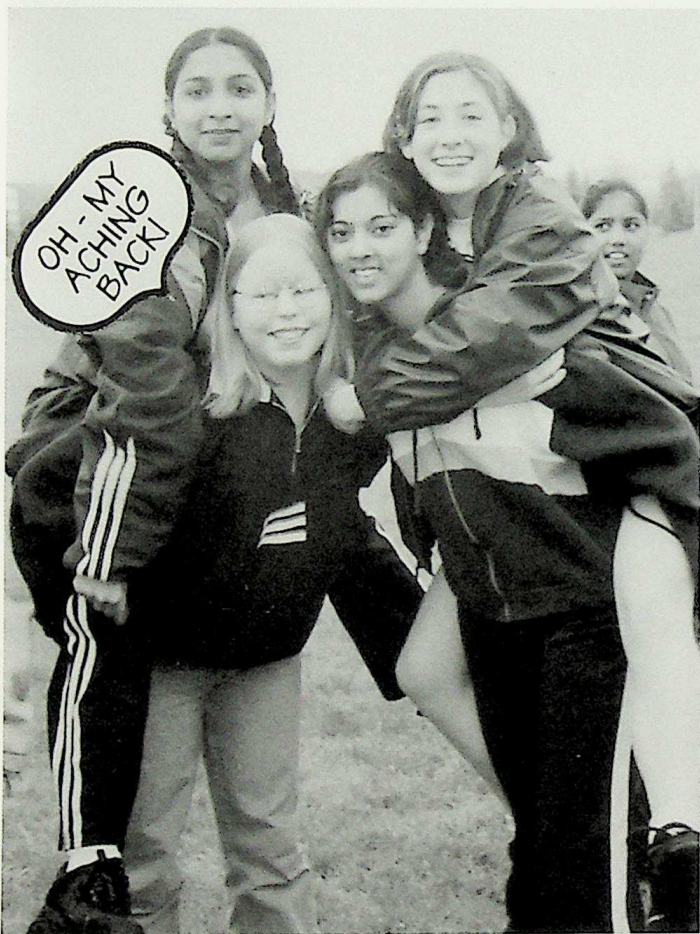

On Tuesday May 11, from 7:00 – 9:00 Edith Rogers Junior High celebrated its first Fine Arts Night. There were two plays presented by the Drama Department, *Infancy* and *The Sandbox*, a Display of Student Artwork, and many tunes by our Musically Inclined Students. After the productions, everyone lined up for cake and coffee. The night was a great success and hopefully next year will be repeated.

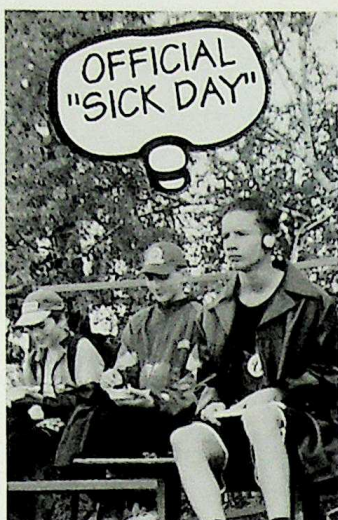

## Edith Rogers Royals Track and Field

On May 18<sup>th</sup> Edith Rogers School had a School Track Meet. It was a bit soggy in the field that day but everything went great and we didn't get rained on. Every student competed in at least three events. The top three winners went to compete at the Zone Track Meet on May 31<sup>st</sup>. The Zone Track Meet has students from several other schools competing with each other. The winners from this meet, go on to compete at the City Track meet held on June 1<sup>st</sup>. Athletes who qualify at the Zone Track Meet will go on to The City Track Meet.

### Grade Nine Farewell

This year the Grade Nine Farewell Ceremony was held on June 12<sup>th</sup> at HG Caterers. It was a semi-formal affair with a dinner, presentations, and a dance. Each student brought their parents and or guests. There were over 480 people who attended. Everyone celebrated in grand style with blue and silver decorations.

Student volunteers worked hard preparing moon and star decorations from March until the June 8<sup>th</sup>.

On June 11<sup>th</sup> they spent the entire day decorating the hall.

The volunteers were:

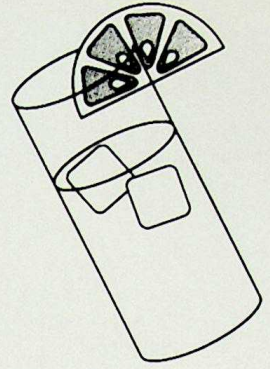

Elissa Rygus, Hana Jabri, Yusra El Saadi, Mandy Comely, Maxine Hackett, Muffy Winterhawk, Dan Israel, Michele Weatherby, Angela Thavone, Christina Aire, Shane Shane Kolmansberger, Wes Skinner, Suneet Atwal, Nick Stojanovic, and Krista Emde.

Staff Sponsors were Ms. Massey, Mrs. Kessel, Mrs. Ashton, and Mrs. Szlichcinski, Mr. Jonkman, Mrs. Jorgenson, Mrs. Bilton and Mr. Delainey. The beautiful calligraphy on each star or moon was provided by the hand of Ms. Smyth.

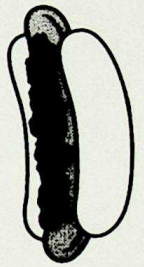

All in all it was a great success!

## Valedictorian Speech – 1999

Tonight marks the closing of an important part of our lives, the end of Junior High. We can look back, reflect on the past three years at Edith Rogers, and try to predict the future. A future, in which we will have to succeed, to be the best, in order to survive.

Three years ago, we entered Edith Rogers as small, frightened grade sevens. We were intimidated by the grade nines, and afraid that our lockers would not open or that we would not find our next class. However, this group of frightened grade sevens has been transformed into a group of confident, mature young adults.

During the past three years, we have had many great teachers that have encouraged us to do our best, set goals, and have fullheartedly taught us. Tonight we would like to thank you for the great education we have received at Edith Rogers. We also must acknowledge the administration, support and custodial staff as our education would be impossible without them.

Secondly, we need to thank our parents for their gracious support and encouragement. They would always encourage us to strive to reach our goals, and they picked us up when we were down. The strength, hope, and love that they have given us has enabled us to work hard to achieve success in our lives. For all of these reasons, we thank our parents.

Through the last three years, we have made many friendships and memories. Though some of our friendships may fade, we will still have memories to link us. The memories of many trips, Mr. Douglas' silly puns, Mrs. Oswin's never ending conversations, Mr. Mah's little sayings, Mrs. Baril's busyness, Ms. Massey's loud voice, sports teams and Drama Lits will stay with us forever.

Now that we are leaving Junior High, we must look at the new challenges we will have in the future, the first of which is in High School. Three years from now, we will be graduating from High School, and there will be other issues that we will have to face: war, poverty, unemployment, and environmental quality. There are no easy solutions to these problems; however, as the leaders of tomorrow, we will have to find the answers.

The future is going to bring hardships, memories, and much fun. But as we finish Junior High, I leave you with this advice for the next millennium.

Nothing is impossible.  
Follow your dreams.  
Strive to do your best.  
Strive to reach your goals.  
Believe in yourself.

I wish you success in the years to come. Good Luck and good bye.
